

CALIFORNIA ENERGY COMMISSION

Energizing California's Communities with Renewables

Workshops Showcasing Recent Successes and Future Opportunities

The Energy Commission will host a series of regional workshops to highlight opportunities for local community-scale renewable energy development and demonstration projects. The workshops will showcase recent projects and will present information on resources and funding to help communities pursue local renewables.

September 17, 2015. 10:00 a.m. — 12:00 p.m.

Elihu M Harris State Building, Room 2
1515 Clay Street
Oakland, CA 94612
